

U/6 Panthers (2) Vs Hazelbrook Cougars (0) The Panthers learned the value of positional play this week and really played as a team. Great passing from Zac Franklin and Lucas Leonard kept the ball on the forward line for much of the match, while Isaac Leonard made a fantastic save on the only occasion the backline was seriously breached. Liam Dalley (1) and POTW Callum Ryan (1) kept the ball in our half as well as making some great runs upfield to score. Harrison Stewart made some strong tackles and nearly scored his first for the season, and Joshua Williams seized a number of opportunities near goals and was also unlucky not to score. Well played Panthers!

U7 Panthers (3) Vs Wentworth Falls Blue (4) Another good game for the Panthers saw Callum, Daniel and Peter all score first half Goals. The second half saw some gaps open in the midfield and a strong Blue finished well, despite Panthers best defensive efforts.

U7 Wolves (3) Vs Springwood Lions U7 (0) This week saw the Wolves face a strong opposition with a 0-0 scoreline at half time. Some good attacking play by the Lions was met by strong defence from Wolves. Jack Parry broke the tension in the second half scoring the first goal for the Wolves. The final two goals were well set up by Joshua Stadler before being driven into the net by Joshua Taylor. Jack Stadler put in a fine and brave effort to win man of the match this week. Congratulations Wolves on another strong performance.

U7 Bears (4) Vs Hazelbrook Sharks (7) This was truly a goal feast to satisfy the critics, and where was Sepp? Dylan Frullani's first of two goals in the opening minute set the tone for this end-to-end local derby. Raegin Quadrio was sterling in his command of midfield and Julian Maguire's wide running up the wing, with the ball seemingly glued to his foot, was magical. Despite being behind early in the second half the Bears never stopped attacking and this was rewarded with rapid-fire goals to Luke Simson and Jackson Decker to reduce the deficit. (potm) was Callum Branley for his brave sliding attempts at goal.

U10/1 (1) v Glenmore Park (2) The Hawks had a sluggish start & were shocked into action when the opposition scored from a breakaway. The Hawks response was to dominate possession and after a number of near misses Leam equalised. The second half saw Nick CD and Nick C almost score the winner but Glenmore Park managed to steal the game on the final whistle off a corner.

U10/1 (1) v Emu Plains (0) The score was nil all after a lackluster first half. However, the Hawks lifted in the second and took the run of play away from the opposition. Keegan put the Hawks one up mid-way through the second half and they were unlucky not to increase their lead. This was definitely not going to be the one that got away.

U10/3 (0) V MULGOA (0) (24/06) Top of the table clash that was a real dog fight. Neither goalie was really troubled with defence being the main priority. The hawks gave their all in this match which was played on a wet, rough pitch. Anthony Green was (potm). A worthy draw.

U10/3 (2) Vs Band Club (1) The hawks bounced back this week with a gutsy victory. The

first half saw many chances from Hayley, Ananda and Aidan but failed to convert them. Nil all at the break. The second half brought the excitement. Band Club scored an impressive goal early, which seemed to ignite the hawks. The defence regrouped led by Ben and Oliver (potm) and with all the ball, great teamwork and a few free kicks, Jarrah Dhyhan scored two great goals in a ten minute period to give the hawks the victory. The entire hawks team showed great character and determination in this win.

U10/8 (3) Vs Blue Mtns Grammar (4) With only 10 players, the Hawks set about ensuring the Coach's birthday was a good one, and they didn't disappoint. Scoring 3 goals in their best game so far Lindsay Kells and Lachlan Warwick-Day scored during the first half after excellent build up by William Montgomery and Lily Bresnahan. Mac Edmonds scored his first goal for the year with a long-range shot. Ryan Warwick-Day, James Seaman and Lachlan Foster worked hard in defense, while Callum Keir and Jeremy Schroeder set about the hard task of slowing the opposition's midfield down. This team just keeps getting better and is regularly scoring goals now. That elusive first win is just around the corner.

U12/7 (2) Vs Penrith RSL (0) A great game that showed how commitment and enthusiasm can win a match, a great goal by Jordan Sztelma, his first for the season. This was followed by a penalty kick to Jordan Gilliland. Player of the week was Aaron Chivers and special mention to Samantha Curran for her high level participation. Great team effort.

U14G/3 White (0) Vs Western Storm (1) With only 9 players, everyone lifted and Hawks dominated play for most of the match. The crowd was on the edge of their seats, witnessing so many exceptional performances. Sam's blistering kicks, Mary-Lee and Dani's sideline runs and through balls, tireless defence and numerous counter-attacks. As with the Soccerroos, the only goal of the game came against the run of play in the last 10 seconds. All girls should feel very proud of their efforts. It was an enthralling game to watch against a very sporting opposition. Well Done Girls and to Coaches Denise and Cait.
