Brendon Baker and Zach Hammond both did an excellent job in goal and on the field. Owen White had a fantastic game scoring a hat trick. The whole team should be very proud with how they played.

U6 Cougars(1) Vs BMGS Wolves(4) A game in the rain was very exciting for the both teams. Thanks to all the parents and friends that braved the weather to cheer the Hawks on. Cougars played well in spite of the of the conditions. Djed Curtis did a great job in goal and was rewarded man of the match. Josh Hancott played well, showing great ball skills. Jarrah Dance is doing a terrific job at playing defense. Well done to all.

U6 Gorillas (1) Vs Springwood Eagles (1) Great tackling from Liam Kowalewski and Hamish Warren, with superb goalkeeping from Jared Evans and Nicole Kennedy held things together during prolonged periods of defence. U6 Lions (10) Vs Wentworth Falls Orange (0) (03/06) A terrific game played in great spirit. The Lions are really starting to get the hang of the game. One highlight was the amazing tackles of Zac Comito. Another was the splendid pass into the centre from Joshua Smith for Brenton Jeffries to score. Leon Kustro had his usual busy game and Lewis, Lucas, Jerome and Sebastian all played well, a great effort on a cold day.

U6 Lions (1) Vs Hazelbrook Panthers (0) An absolute cracker of a match between 2 very equal teams. All the kids had a ball in the wet conditions. Trying as hard as possible to score a few shots went agonizingly close but was either saved or went wide. A free kick just outside the keeper area was taken by Lucas Girardi who was able to hit the post and see his shot go in. Sebastian Bickerton showed great skill in goal. Leon, Brenton and Joshua chased everything down, Zac again produced some ferocious "No Fear" tackling.

U7 Wolves (9) Vs Springwood Bobcats U7 (0) Another high-scoring victory this week to the Wolves. Both teams put on an enjoyable game of football much to the delight of the crowd huddled under their umbrellas on the sideline. Carl from the U6 squad joined the team this week and soon made his presence felt by scoring the opening goal. Jack Parry and Josh Taylor scored the next two goals to take the Wolves to a comfortable position at half time. Not resting on their laurels, the Wolves came out strong in the second half going on to score six more stunning goals. The goal tally this week: Carl (2), Jack Parry (3), Adam Bosch (3), Joshua Taylor (1). The team passed well this week and the efforts of Tim Camilleri and Michael Curry helped sustain the scoreline. And Jacob Herron displayed some great dribbling and defending this week. Man of the match - Joshua Taylor.

Under 8 Foxes(0) Vs Springwood Tigersnakes(2) What a great game of football from both teams. With only ten men the Foxes were superb and were right in the match up until the final whistle. An outstanding defence performance from Ingrid Neilson, Jordan Ryan (POW), Jonah Franklin, Lucas Venn and Kiarn Doyle. A non-stop performance in

the midfield from Adam Goodwin, Lucas Opdam, Thomas Stewart and Bailie Leonard meant that the game went from one end to the other constantly. Up front was our lone ranger in Joshua van Venrooy who used his speed to cause havoc on the oppositions defence and was unlucky not to score. This was a great performance boys and proof that the hard work at training is starting to pay off.

U8 Panthers (1) Vs BMGS Alligators (1) (03/06) The Panthers passing game was the highlight of a congested first half but this gave way to a very exciting and flowing second half. Down 1-0 at half time the whole team rallied well to dominate field position resulting in an equalizing goal to Huw. Lucas and Liam combined very well on the right to consistently clear and defend whilst Lewis showed an exciting turn of speed down the left. Perhaps the best team effort this year.

U12G/3 (2) Vs Glenmore Park (1) The Hawks were all eager for this game and proceeded to express dominance on the field from the whistle. Jessica Willis put the first of the goals away with an excellent execution. Amber Doyle again dominated the midfield and powered our second goal into the back of the net. Carly Sanford had a quiet game in goal but continues to play with confidence each week. Ruth Adams will soon score that elusive goal her persistence is amazing. Denya May was elusive up the wings alongside Taylor Opdam and Charter Monk. Keep up the great team work.

U16G/2 (0) Vs Blaxland (1) (04/06) Another very close game that probably the result could have gone either way. Some good play by Ella Ward and Maddison Pitt help dominate field position for most of the game but could seem to put the goals in the net. Player of the match with some great defense was Lucinda Guzman stop some attacks that could have been
