

U7 Bears (10) Vs Wentworth Falls Reds (0) On a wet morning at Gloria Park something special happened. The Bears learned how to play total football. With a roaming goalie and only three field players for much of the match, they had no choice! Everyone attacked, everyone defended. Lucy Adams was creative and unlucky not to score. Julian Maguire was rewarded for his tireless cameo with a goal. Callum Branley and Patrick Noble were selfless in their work and passing. And Luke Simson scored nine goals - now that is something special! One wonderful achievement built on an excellent team effort.

U9 /1 (1) Vs Colo (0) (02/07) Against a determined opposition the Hawks held on for a well earned win. As a team they played extremely well. Liam Foote and Gavin Wadeley constantly passed the balls from the wings to our forwards of Antonio Beretsos, Ben Sanford and Ben McCallum. The mids of Bradie Smith, Ben Gethin-Damon, Jack Adams and Harrison Gill skillfully kept the play in Colo's half. The defensive line of Jacob Schensual and Zac Opdam once again proved impenetrable. Nathan Cavanagh held off the opposition as well as the dreaded cold. both to his credit.

U9/1 (0) Vs Glenmore Park (0) In the toughest game of the season and on a wet miserable day, the Hawks still showed they can move the ball. Up front Liam Foote came close to scoring a number of times only to be out done by some sensational goal keeping by the opposition. In defence Nathan Cavanagh, Jacob Schensual, Harrison Gill and Jack Adams all held firm. The mids of Gavin Wadeley, Bradie Smith, Ben Gethin-Damon, Ben Macallum and Zac Opdam played well within themselves controlling the flow of the game. In attack Ben Sanford and Antonio Beretsos caused the opposition trouble. A great, exciting and fast game, Keep it up Hawks

U16G/2 (8) Vs Colo (0) A Strong performance by the whole team to get a pleasing result. Our two main strikers had a field day with 5 goals to Tegan Haberman and 3 to Ella Ward. Some great work in goals by our two keepers Sophie Dalton (player of the week) and Kelsey Mortimer kept some certain goals out.

U16G/2 (3) Vs St. Clair (1) (02/07) A fantastic result and great overall performance by the whole team. I think the world cup is rubbing off with 2 goals to Tegan Haberman and 1 to Ella Ward gave a convincing lead 3 to 1 at half time. Some great defenses by Bonni Rittel and Kelsey Mortimer with good team support shut down there attack and the game was ours, well down girls nice to be back in the winning circle.
