

U9/7 (4) Vs Emu Plains (0) (Pennants Semi Final) Hazelbrook played what was probably their best all year to beat an Emu Plains side who never gave up. A few positional changes seen the kids get a run in different parts of the field and it seemed to work a treat. Thomas Jackman set the scene with a great goal in the first minute while Shane Wenc decided he would score two goals for a change. Emu Plains conceded an own goal as well to give the Hawks a score line of 4-0. The whole team was excellent with player of the week going to Thomas Jackman for his never-ending efforts, now on to the final.

U10/1 (1) Vs Jamisontown (0) The Hawks made it through to the final with a hard fought win over Jamisontown. Good teamwork put them one up quickly when Keegan scored. The Hawks continued to dominate the first half, nearly increasing their lead a number of times. However, the second half was a tense affair as the mid-field were unable to feed ball to the forwards. Jamisontown attacked hard and there was plenty of injury time but our back line held firm to win the day. A very entertaining victory!

U12/7 (2) Vs Glenmore Park (1) A tough elimination semi-final resulted in a well deserved win to the underdogs. A great goal by Kobi Wheeler in the first half gave the Hawks great hope. Midway through the second half Beth Goodlet pocketed her first goal for the season. A late goal by Glenmore Park made the final few minutes very tense. Player of the week Georgia King. The reward, another week of training and a chance for a place in the Grand Final. Celebrate in style guys!

U16G2 (1) Vs Springwood (0) Top of table clash seen a very tight game with Hawks final winners. Some fantastic goal keeping by both Maggie Sheen & Sophie Dalton stopped some certain goals. Some good lead up work Ayla Woodbury and Christine Owen help Emily wheeler score our only goal. Another great defensive effort by Lucinda Guzman who was player of the week keep Springwoods forwards at bay, well done Girls in making the Grand Final two years in a row.
