

U6 Panthers (3) Vs BMGS U6 Wolves (0) Great team effort again this week, Zac Franklin defended fiercely and played in his position all match, together with Isaac Leonard, who made some good passes and kept well in the first half. Emma Haring really went in after the ball and had number of kicks this week. Lucas Leonard (1) showed some impressive ball control and scored a great goal. Callum Ryan (2) combined well with Liam Dalley, and together they constantly took the ball deep into attack. Liam made some great passes and was very strong in attack and defence. POTW Harrison Stewart tackled fearlessly and made two great saves in the second half.

U7 Wolves (3) Vs Wentworth Falls Blue (0) The coach said it was the best game of the season and with good reason. The first half displayed some great passing and attacking play despite the boggy conditions. Josh Stadler's three valiant attacks at goal nearly opened the scoreline and lifted the confidence of the team. Jacob Herron and Bonnie Kay Vaughan showed some great skills to get the ball up the opposition's goal line. The Wolves' efforts were well rewarded in the second half with three brilliant goals. Tim Camilleri scored the opening goal, a great reward for his final appearance for 2006, and Tim's tenacity earned him man of the match, well done. Jack Parry made it 2-0 and Josh Taylor put the final one away. Well done Wolves; and with a the full contingent of 10 players today we recognize the disciplined substitution strategy brilliantly devised by Simon Bosch and so smoothly executed by Helen Curry.

U7 Bears (0) Vs Springwood Cougars (5). An evenly matched game that was poised delicately at 1-0 at half-time. Jackson Decker and Callum Branley had some great attempts on goal but the opposing goalie pulled off some great saves. The whole team was playing great football and were always supporting their teammates and looking for that perfect pass. Jackson Decker was tireless as always and Sam Porritt's late entrance into the match saw him block a couple of goal-bound shots. Dylan Frullani's instinctive goalkeeping skills were a revelation, in particular one low reflex save out of the Gordon Banks textbook.

U9/1(1) Vs St Clair (0) CONGRATULATIONS to the 2006 Minor Premiers. Well done Hazelbrook. In the top of the table clash it was always going to be tough game. All the Hawks players had sensational games proving why they are the best team in the comp. In attack Jack Pople, Antonio Beretsos, Ben Sanford spear headed the attack. The midfield showed their brilliance in moving the ball around the park. Great games by Liam Foote, Bradie Smith, Ben Gethin Damon and Ben McCallum. Gavin Wadeley chimed in capitalizing on good lead up work to cement the win with a sensation goal. The defense as they have proved all year continued to be impenetrable. Strong games from Nathan Cavanagh, Jacob Schensual, Jack Adams and Harrison Gill. In Goals Zac Opdam pulled off a screamer of a save to ensure the goals once again stayed intact. Congratulations also to Jamie Smith for leading the Hawks all year as coach.

U9/7 (1) Vs Emu Plains (0) Another tight game with the Hawks coming out on top courtesy of Shane Wenc's customary goal. The hawks controlled almost the whole game with some terrific play from the midfield shutting down some dangerous players from

Emu Plains. Special mention this week to new player Jackson Curran being captain for the day and getting player of the week.

U10/3 (1) Vs Colo (0) The hawks played their last regular season game against a gutsy opposition this week. This match had everything as the parents will tell you. Oliver Way (potm) was outstanding in midfield. The defence wasn't really troubled. The hawks had many chances up front through Coen, Anthony and Jack. It took a fantastic late goal by Hayley Brown to make the difference. The team won 1-0. This team have been superb this season in every position and finished runners up on the table. They now head into the top four play offs in a couple of weeks. Best of luck hawks.

U12/7 (1) Vs Richmond (0) A great team effort again from the Hawks unlucky not to score many more goals. Richmond were down on numbers but not commitment. Aaron Chivers, Kobi Wheeler and Jordan Gilliland peppered the goal keeper. An own goal sealed their fate. Georgia King fired a ball from mid field looking for the strikers. It skimmed the head of a defender and glided above Richmond's keeper. Georgia King was selected as player of the week. Two games until the finals- we're coming home with a wet sail!

U14G/3 White (0) Vs Glenmore Park (1) A fantastic game Hawks to end your season. It has been great for your supporters to watch you improve as the season progressed. You had so many close games and were really tough and sporting opponents all season. Today, Hazelbrook played one short and it was always going to be hard to win against 15 Glenmore players in the heat. Taylor and Carly came up from Under 12's again and played brilliantly. Thanks girls and good luck in your finals. So many great performances today, Sam, Beth and Katie were unbelievable in defence, Dani, Tess, Taylor and Carly really kept the midfield together and put so many great balls through to the strikers. Laura, Steph and Nerissa ran themselves ragged up front but were outnumbered and had very few chances. Nerissa and Katie were both amazing in goals and made sure we had a chance right up to the final whistle. Girls, we didn't quite get there today, but as you have done so often this season, you tried your hearts out and never gave up. Well done and thanks for so many thrilling games. We can't wait till next season.

U16G/2 (3) Vs Cranebrook (0) The hawks a little under strength, but still managed to perform well and continue in their winning way. Some great performances by Bonny Rittel who seem to be everywhere in the midfield and Christine Owen scoring her first goal of the season had a great game up the front. Other goal scorers were Tegan Haberman and Emily Wheeler who round up a good team performance.
