

Under 6 (Cougars) (1) Vs Wentworth Falls (4) Unfortunately the game was delayed due to Wentworth Falls only having 3 players at the start of play. Good sportsmanship by Jake Horninge and Brendon Baker from the Cougars helped Wentworth Falls field a full side. The game was played under wet and cold conditions. The ground was muddy and it made it quite hard for the players to stay upright. The pace of the game was fast especially under difficult ground conditions. Wentworth Falls went to the break with a 1 nil advantage. The second half of the game saw 4 more goals scored. All the Cougars played exceptionally well, good goal keeping from Jarrah Dance, Djed Curtis and Jake Horninge and good ball skills from Owen White, Joshua Hancott, Zac Hammond (1 goal), Noah Hammond and Brendon Baker. Special mention for Jake who scored 3 goals in the second half.

U7 Bears (2) v Hazelbrook Alligators (0). A star performance from Raegin Quadrio, who hit the field at terminal velocity, and did not stop until the final whistle. His determination and effort was the catalyst that lifted the Bears to a fine win. Played in sticky conditions this was a shining example of end-to-end attacking football from two evenly matched teams that thrilled the crowd. Jackson Decker was brave in goal, Patrick Noble and Lucy Adams were confident in the midfield and Luke Simson made a terrific solo run to provide the pinpoint cross for Callum Branley, who kept his cool and scored the final goal.

U7 Wolves (12) v BMGS Tigers U7 (0) Penultimate game of the season and another high scoring victory for the Wolves, congratulations. Precision passing was this week's highlight as the team put their training drills into practice. The goal tally this week: Joshua Taylor (3), Jack Parry (1), Adam Bosch (5), Isaac Stockton (1) and Jacob Herron (2). Congratulations to Isaac on his second goal of the season and a long shot to boot! Jacob Herron not only scored two goals but put a wonderful pass to Josh Taylor who put the ball away. The consistent goal scoring efforts of Adam Bosch, Joshua Taylor and Jack Parry this season are to be congratulated. The Tigers never gave up, particularly in defence and the some brave goalkeeping saved a few goals. We thank Tim Camilleri for his efforts this year after his final appearance for 2006 last week. Tim's tenacity earned him his first goal and man of the match last week. But this week's man of the match was Jack Parry, recognizing his efforts at passing the ball. Finally, we acknowledge the disciplined substitution strategy brilliantly devised by Simon Bosch and so smoothly executed by Helen Curry each week.

U7 panthers (7) Vs Springwood Lions (0) This week saw the Hazelbrook Panthers in fine form. Good work in the midfield by Eli Maynard and William Tanner gave possession to Daniel Thethway (5) and Callum Houlihan (1) up front. Peter Jaworski had a great game and was found wherever the action was thickest, whilst Ali Mehmet-Decet was rock solid at the back. Well done Panthers.

U10G (2) Vs Band Club (1) Congratulations girls on your first win of the season!! All the hard work has finally paid off. A whole team effort saw the Hawks dominating play with some great passing moves taking Hazelbrook down the field to score two great goals. Well done to Lucy Noble and Monique Verhoeven on their first goals of the season. The impressive display today showed just how much we have improved in one season. Well done team. Roll on next season!

U12/7 (0) Vs Henry Lawson (1) Hazelbrook's last home game on a slippery service was a challenge for both teams. The Hawks had many scoring chances but just couldn't convert. A scrappy goal by the opposition was the end result. Player of the week Stacey Romanowski. Beth Goodlet, Bradley Johnson and Luke Heald all had very strong games. Finals series here we come!

AAL/4 (4) Vs St Marys Band Club (1) Congratulations ladies on winning our last game for the season. A determined Chana Imsirovic scoring a great goal to make it 2-0 at half time. Great passes and team effort from everybody. Thankyou to all our fantastic supporters who have been at our games, home and away. Hope to see all players at presentation night.
