

Hazelbrook Soccer Club Inc.

Equipment Procedure

Hazelbrook Soccer Club will ensure all equipment used by its members shall be in an appropriate condition.

- The nets are to be erected by use of a step ladder secured by clips or Velcro straps if required.
- The pegs are to be secured firmly and flat into the ground.
- Corner and mid field Flags are to be inserted into ground cavity.
- Nets are to be stored in appropriate containers as well as pegs, straps and hammers.
- The crowd barrier is to be erected at Gloria Park on the western side prior to all games.
- Training equipment must be in good condition before being distributed to Coach's. Training equipment may include cones, bibs, balls, carry bag, team shirts, ball pump.
- All equipment must be stored in the appropriate containers and area.
- Care must be taken at all times in the use of all equipment and accessories.
- Instruction will be demonstrated and given to all Coach's and Managers on how to use equipment at the Coach's and Managers meetings.
- All faulty and damaged equipment shall be reported and returned to the Equipment Officer in due course.
