Dear Mr Sanford,

My name is Jaimie Paterson, and I am the current secretary for the Henry Lawson Football Club. I am also a player in the Henry Lawson All Age Ladies Division 6 Black team.

I am writing to you as my team played your All Age Ladies 6 White team on Sunday the 15th May at St Marys Convent Soccer fields.

I would like to pay compliment to this team as their sportsmanship, attitude and open friendliness was a breath of fresh air.

This was one of the most enjoyable games my team has had in a while, and I would like to give full credit to your team for making the game fun instead of competitive.

Both of the sides played well, and I hope your side enjoyed it as much as we did, and we look forward to playing them again.

What a great side of ambassadors for your club they are. Well done.

Yours in Sport

Jaimie Paterson

Secretary
